ABOUT US:

Interior Concepts & Design Limited is a renowned interior design company in Bangladesh, operating in the interior design sector since 2008. With nearly 18 years of experience, we have successfully served a diverse range of clients across the country.

Our extensive expertise and deep understanding of design aesthetics have established us as one of the leading interior design company in Bangladesh. We have worked with government organizations, embassies, NGOs, corporate offices, and residential clients.

Our team of highly skilled and passionate designers is dedicated to transforming spaces into works of art that reflect the unique stories and personalities of our clients. To date, we have successfully completed over 500+ projects and served more than 300+ clients.
